Applicants hereby petition for correction of the first page of the Transmittal Letter to the United States Designated/Elected Office (DO/EO/US) Concerning A Filing Under 35 U.S.C. § 371 and 37 C.F.R. § 1.491. Specifically, the international application number contains a typographical error, incorrectly identifying such application as PCT/GB00/03946. The other transmittal pages identify the correct application serial number, viz., PCT/GB00/03964, as do the accompanying Preliminary Amendment and the International Application as published.

Accordingly, applicants request that the initial page having the typographical error be corrected to properly identify the international application as PCT/GB00/03964. A copy of the first page of the transmittal letter with the incorrect application number is submitted as Exhibit A and a copy of the first page of the the International Published Application (having the correct application number) is submitted as Exhibit B.
